

MRA FAMILY NEWSLETTER

Enrichment Wednesday is Coming Soon...

Our enrichment program at MRA is an exciting initiative aimed at enhancing students' learning experiences through diverse and engaging programs. These activities, set to take place on Wednesday afternoons after the first of the year, are designed to reinforce the knowledge students are acquiring in their academic pursuits, ultimately boosting their academic performance.

The potential offerings are chess, hippology, and dance, providing a wide array of interests for students to explore. For those interested in teaching or contributing to these efforts, Ms. Anderson, the new Enrichment Coordinator, is the point of contact at randerson@mra-k8.com.

MRA is also wanting to expand extracurricular opportunities for 6th to 8th graders, with aspirations to introduce a 4-H Program or sports clubs. These programs not only foster learning but also encourage personal growth, teamwork, and leadership skills. Please reach out if you are interested.
